

COOKIES POLICY

Last Updated: April 16, 2025

INTRODUCTION

This Cookies Policy ("Policy") explains how Yok-AI ("we," "us," "our") uses cookies and similar technologies on our website (www.yok-ai.com) and related online services. This Policy provides you with information about what cookies are, what cookies we use, and how you can control cookies.

By continuing to use our website, you are agreeing to our use of cookies as described in this Policy.

WHAT ARE COOKIES?

Cookies are small text files that are stored on your device (computer, tablet, smartphone) when you visit certain websites. Cookies are widely used to make websites work more efficiently, provide a better browsing experience, and provide information to the owners of the site.

Cookies may be set by our website directly ("first-party cookies") or by third parties providing services to us ("third-party cookies"). They may be session cookies (which expire when you close your browser) or persistent cookies (which remain on your device for a set period or until you delete them).

TYPES OF COOKIES WE USE

We use the following categories of cookies on our website:

1. Essential Cookies

These cookies are necessary for the website to function properly and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in, or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not function properly if these cookies are blocked.

Examples of essential cookies we use:

- Session cookies that manage your active session
- Authentication cookies that identify you once you've logged in

- Security cookies that enable security features and detect malicious activity

2. Functional Cookies

These cookies enable the website to provide enhanced functionality and personalization. They may be set by us or by third-party providers whose services we've added to our pages. If you do not allow these cookies, some or all of these services may not function properly.

Examples of functional cookies we use:

- Cookies that remember your preferences (such as language or region)
- Cookies that remember information you've entered or choices you've made
- Cookies that provide customized content

3. Analytics Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. If you do not allow these cookies, we will not know when you have visited our site and will not be able to monitor its performance.

We use Google Analytics which sets cookies to help us analyze how users use the site.

4. Marketing Cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant advertisements on other sites. They do not directly store personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

HOW WE USE COOKIES

We use cookies for various purposes, including:

- Ensuring the website functions properly
- Improving website performance and user experience
- Understanding how visitors interact with our website
- Remembering your preferences and settings
- Authentication and security
- Enabling certain features and functionality
- Marketing and advertising purposes
- Analytics and research

YOUR COOKIE CHOICES

You have several options to control or limit how we and our partners use cookies:

Browser Controls

Most web browsers allow you to manage your cookie preferences. You can:

- Delete cookies from your device
- Block cookies by activating the setting on your browser that allows you to refuse all or some cookies
- Set your browser to notify you when you receive a cookie

The procedures for changing your settings and cookies differ from browser to browser. If needed, use the help function in your browser or click one of the links below to go directly to the user manual for your browser:

- [Chrome](#)
- [Edge](#)
- [Firefox](#)
- [Safari](#)
- [Opera](#)

Opt-Out of Analytics

To opt out of Google Analytics tracking, you can use the Google Analytics Opt-out Browser Add-on available at: <https://tools.google.com/dlpage/gaoptout>

Cookie Consent Tool

When you first visit our website, you will be presented with a cookie banner that allows you to accept or decline non-essential cookies. You can change your preferences at any time by clicking on the "Cookie Preferences" link in the footer of our website.

THIRD-PARTY COOKIES

Some cookies are placed by third parties on our website. We do not control how these third parties use cookies, so we suggest you check their privacy and cookie policies for more information.

DESKTOP APPLICATION

Please note that our desktop application (Yok-AI software) does not use cookies in the traditional sense as described in this policy. The application may store local data and settings on your device, but this is separate from website cookies. For information about data storage in our desktop application, please refer to our Privacy Policy.

CHANGES TO THIS POLICY

We may update this Cookie Policy from time to time to reflect changes in technology, regulation, or our business practices. Any changes will be posted on this page with an updated revision date. If we make significant changes to this Policy, we will notify you through a notice on our website.

CONTACT US

If you have any questions about our use of cookies or this Cookie Policy, please contact us at:

- Email: support@yok-ai.com
- Website: www.yok-ai.com/contact

ACCEPTANCE

By continuing to use our website, you are accepting the terms of this Cookie Policy. If you do not agree with our use of cookies, you should adjust your browser settings accordingly or discontinue using our website.
